

A Day in the Life of a Landscaper

Today was a very _____ day for landscaping. To start, we grabbed our _____ and
started _____ in the yard. Suddenly, we discovered a giant _____ growing where it
shouldn't be! It was at least _____ feet tall and looked incredibly _____. Thinking
quickly, we used our _____ to _____ it out of the ground. Then, the weather turned
_____, and everything got a little _____. Eventually the sun came back out, and we
were able to finish _____. In the end, the yard looked _____ and we decided
we might actually be _____ landscapers after all!
